

Instantel Innovation Award

Nomination Form

The undersigned nominates:

Name of Project:

Nomination for an Instantel Innovation Award

Please attach a project overview, no more than two pages, summarizing the nomination including:

- A brief description of the project;
- The timeframe and budget involved;
- Specific challenge and innovative solution using Instantel® vibration monitors;
- The results achieved;
- A list of names and titles of the persons with key involvement in the project; and
- Photographs of nominated project site.

If available, please include with the project overview copies of newspaper or trade journal articles and any other project specific information that may be pertinent during the review of the Award Nomination Form.
