

Service and Calibration Warranty

Limited Services Warranty: InstanTEL will perform all service, repair, and/or calibration, herein referred to as “Services”, in a professional, workmanlike manner, consistent with industry standards. Unless stated otherwise, InstanTEL shall warrant all Services against defects in materials and/or workmanship for a period of ninety (90) days following delivery with the following inclusions:

- (i) Components supplied in the maintenance or repair of the product, with the exception of components subject to fair wear and tear in regular use, as solely determined by InstanTEL.
- (ii) Labor and/or defects in workmanship of the service, repair, or calibration of the product.

All Services performed by an external InstanTEL Authorized Service and Calibration Center are excluded from this warranty and are subject to warranty provided through the Authorized Service and Calibration Center. This warranty is non-transferable.

Except for the foregoing limited service warranty, InstanTEL makes no other warranties and hereby disclaims and excludes all other warranties, whether statutory, express or implied, whether arising under law or equity or custom or usage, including any implied warranty of merchantability, fitness for a particular purpose, non-infringement, satisfactory quality, or quiet enjoyment, and any warranty that the product supplied may not be compromised, or that the product will in all cases provide the function for which it is intended.
